Dear Freshmen

COMMUNITY SERVICE

Welcome to SMU and greetings from the Centre for Social Responsibility (C4SR)!
Our heartiest congratulations on your acceptance to SMU!

Community Service (CS) is part of the graduation requirement at SMU. All students are required to complete a minimum of 80 hours in community service.

Through active participation in CS/Social Responsibility projects, you will develop an appreciation for a myriad of social issues: environment, poverty, community building, education, elderly, the socially marginalised, etc. Most Global Banks and MNCs are big on corporate social responsibility, and the SMU experience underscores this. The Community Service experience will offer you cutting edge training and exposure and will prepare you for the corporate world.

In conjunction with Matriculation and to help you embark on your CS journey, C4SR is pleased to bring you a selection of CS projects, planned exclusively for you by your seniors before the start of the academic term.

For more information on these projects you can contact the respective Project HR Director. Indicate your interest by signing up quickly via the google link https://docs.google.com/forms/d/e/1FAIpQLSeITEdMetwv7N8hMx1RArL9Oz2M0acFtUto-YaSfHQHft4Iw/viewform?usp=sf_link. You can only sign up for **ONE** project.

You must first complete a compulsory CS e-Briefing before you embark on your CS. The CS e-Briefing is a critical first step as it helps you in understanding the SMU graduation requirement for community service and guidelines and procedures for students' efforts to be recognised towards the graduation requirement. Please login directly to the eLearn portal at <https://elearn.smu.edu.sg/> to complete the CS e-Briefing.

If you have problems accessing eLearn for the CS e-Briefing, please email to elearn@smu.edu.sg for assistance.

If you have any other enquiries, please email to commsvcs@smu.edu.sg or contact us at 6828 0796 / 6828 0676.

With Best Wishes
