LibQuest Library Orientation

WHO - COMPULSORY for ALL Year 1 Students

WHAT IS LibQuest?

LibQuest is the Library’s Orientation programme for all new Year 1 students where you will discover the library’s resources, programmes and services in the form of a scavenger hunt. However, this year, the library is undergoing some exciting renovations in July-August. The library will therefore provide an ‘Online Library Orientation Programme’ where students will be required to complete a series of learning activities before the start of the term. You will hear more about the programme during the academic briefing, via email and also the on library’s website. The online activities will be accessible via eLearn, SMU’s learning management system.
